

THE puppet

A long time ago, in 16 of dicember of 1979, in USA was one city called San Francisco.

In this city it was a girl called Clara and she work on one famous teatre doing a spectacules of puppets. She always love her public and herpublic loves she, but one day, comeone boy called Roy he always do spectaculos of humore and thepeople loves him.

Roy was very famous , pretty, sporter and good fisic person and Clara no.

Days later Clara dies of sad because her public loves to Roy and shes e spirit was to her favorite puppet and she comes to revenge.

This year, 16 of february of 2016, in San Fancisco, were one man called Sam Pather. He is a very intelligent person (a genius), he is really good sporter person and in any types of works, he in phisical, is very strong and tall and internally is very brave.

Two dais later, he received one box with one message talling:

I going to you.

Them he open the box and he fin the puppet .

Sam because doesn't likes the puppets , throw this to the rubish container.

The next day, he find again the puppet and again throw the puppet and like this 5 times and because he can't fiht of the puppet he surprises the puppet to his son.

But, 6 hours later appears the son and Sam deaths with the knives on they heads.

Days later when Sams death there is a pretty girl called Hannah Soulfile.

This girl was very pretty for externally but for internally was very bad because she always used her pretty body to get marry with very richs mans and them to rob they money.

Days later she received a box with the puppet and when she open the box, the puppet jump and put a knife on Hannas head, so is DEATH!

A days later the puppet was destroyed because it was rushed of one bus but the legend tells that Claras espirit goes to other puppet and she is going this night in one box to kill you.
