

# THE FAMILY

Long time ago far-fara way one family, went to Africa in a plane. The Family has five integrant. The mum Emma, the dad Richard, the son Max, the daugter Selena and the grandmother Felisa.

The family was in a plane and a flighthattentant come and said:

-The plane is going to fall donw,so put the vest that they have on the chairs.

Selena started cryins . Felisa saw a big bird in the window, the bird was a pelican. The pelican opened the window and taked the family.

The family fall donw in a very beatiful island. There were lots of fruits like coconuts, bananas, apples... and animals. In the island they met a delfin. It was blue and white and very polited. The delfin helps the family to do houses and a lots of things more. When they finished all the proyect the delfin when with his family.

One day Max went to explored the island and when he seat he saw a very beautiful potato. The potato aproached him and she said:

-Hello my name is Juli and I want marry with you

Max said yes, and the next day they married. When day married they had a baby and they called Patatita Chip. It wasent a very good idea for the family but they acept.

The next day all the family went to the beach to relaxed. The childrens went into the sea, the grandmother Felisa seat in the floor and the parent's went to walked a little time. When they where on the other side of the beach they saw a big-big plane. It was the plane with which they were to went to the Africa. The parent's warn to the rest of the family.

They were some survivor and they took them to the beach. They were some days fixing up the plane and one day they were to his house and they lived very good.
